SHIRLEY ROSS DEVENNEY

Shirley has had an outstanding career from grade school mascot, drum major, feature Twirler and choreographer for her high school band to feature twirler, captain and choreographer for the "Ole Miss" Rebellette Dance Team and professional performances with Fred Waring and the Pennsylvanians, Stan Kenton and many others.

Material and routines choreographed by Shirley have been featured at many high school, university and bowl games. Shirley is the originator of the "Southern Style" of dance twirl. She developed many of today's popular rolls as applied to solo baton routines. A former Mrs. Majorette of America, she is in that lofty position as one of the worlds outstanding female instructors.

Her students have won every major title there is to win in the twirling art/sport. Many can be found fronting a number of today's university bands and a number serve as university choreographers.

In July 2002 both Shirley and Jack were inducted into the National Hall of Fame at a special ceremony at Notre Dame University.

STAFF

Staff members have been selected from major college and university band, dance lines and national champions with expertise in their particular field. Meet and work with a staff that has been there, talk to them about what it's like to go out on the field for the first time before thousands of fans.

Whether you are a dancer, flags, majorette, etc. - this is an excellent time for everyone to go to camp together and build a working relationship. As a group or as an individual wishing to learn so you can audition for a spot on your school line, you are welcome. Meet and work with a championship staff.
